Acknowledgments

The present study based on a sample household survey conducted in the Colombo Metropolitan Region in 1998 was made possible by a grant awarded to us by the National Science Foundation, Colombo 07.

Household survey using a questionnaire was conducted by a team of twelve field assistants under the supervision of the research team. The field team included I Senanayaka, P. Perera, S. Wickramasinghe, U Dammika, I. Udupitiya, S. Udayakumara, R Indika, K. Weerasinghe, S. Anuruddha, A. Anurakumara, V. Fernando and J. Silva. Sample selection was done with the assistance of Mr. A. G. W Nanayakkara, the Director of the Department of Census and Statistics, Colombo. Data entry work was done by Sagara Somarathna and Harsha Rajawatta. Data analysis was undertaken by Nishara Fernando of the Department of Sociology. If not for his deep commitment, dedication and untiring efforts, this study would not have been completed satisfactorily. Mr. C. Niriella along with the research team participated in the organization and supervision of field work.

Finally, we also wish to record our appreciation of the co-operation extended to us by the Vice Chancellor and the Dean of the Faculty of Arts, University of Colombo in completing the work. Last but not least, we wish to extend our appreciation to Ms. Renuka Weerakody for helping us with the secretarial work.
